About Saint Christopher (Feast Day: July 25)

St Christopher was a strong man who devoted his life to carrying travelers across a dangerous river. One night a small child asked to cross. With each step the child grew heavier — as heavy as the whole world. The child revealed himself as Jesus Christ, saying Christopher had carried the weight of the world and its Creator. "Christopher" means "Christ-bearer" in Greek. He is the patron saint of travelers and is often shown with a staff, wading through water, with the Child Jesus on his shoulders.

A Prayer of the Christ-Bearer

Trace the words, then say the prayer aloud

St Christopher carried Jesus — we can carry Jesus in our hearts! Trace each line carefully.

Dear Jesus,

You asked St Christopher
to carry You across the river.

Help me carry You too —
in kind words and gentle hands,
in bread shared and water given,
in welcome and in care.

Make me brave like Christopher,
strong enough to serve.

Amen.

Trace each word with a pencil. Take your time — good prayers are never rushed!
